

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

JCRDLIS – Providing irrigation facilities to 29,000 Acres of Cherial Constituency and 32,500 Acres of Narsampet Constituency of Warangal District through JCRDLIS – Ayacut for the tail-end area of JCRDLIS deleted and included under Pranahita - Chevella Scheme – Orders – Issued.

IRRIGATION & CAD (PW.MAJ.IRR.IV.1) DEPARTMENT

G.O.Ms.No.141

Dated:14-07-2008

Read the following:

1. From the Chief Engineer, GLIS, Warangal, Lr.No.CE/GLIS/WGL/DCE/OT1/TS1/Rangaiah Cheruvu/1710, dt. 09-08-2007.
2. From the Chief Engineer, GLIS, Lr.No.CE/GLIS/WGL/DCE/OT1/AE1/F30/ Camp.No.119, dt. 15-04-2008.
3. From the Chief Engineer, GLIS, Lr.No.CE/GLIS/WGL/OT1/TS1/Camp.No.160, dt. 17-06-2008.

ORDER:

J.Chokka Rao Devadula Lift Irrigation Scheme is contemplated to lift 38.18 TMC of water from River Godavari near Gangaram (V) Eturunagaram (M) Warangal District to provide irrigation facilities to an ayacut of 6.47 Lakh Acres and drinking water facilities to the enroute villages of the scheme in drought prone areas of Warangal, Karimnagar, Nalgonda & Medak Districts.

2. The Chief Engineer, GLIS in the letter 1st read above has submitted that representation have been made to the Hon'ble Chief Minister of Andhra Pradesh to provide irrigation facilities to 32,500 Acres by lifting JCRDLIS water from Ramappa tank by feeding Rangaiah Cheruvu and Erra Cheruvu in Nellabelli, Duggondi and Narsampet (M) of Warangal District. Similar request have been received to provide irrigation facilities to all the villages in Cherial Constituency with water of JCR Devadula Lift Irrigation Scheme.

3. The Chief Engineer, GLIS in the letter 3rd read above has submitted to include the following proposals under JCR Devadula Lift Irrigation Schemes:

1. The ayacut under Narayanapur Village which is about 4000 Acres should be irrigated through Right Main Canal of Tapaspally Tank.
2. The ayacut in the villages viz. Tapaspally and Guruvannapet to an extent of about 2000 Acres should be irrigated by providing pumping station at Tapaspally and laying of pipe line from Tapaspally for a length of about 5 Kms.
3. Strengthen and increase the capacity of existing 6 Nos of tanks viz., Katkoor, Salakpur, Gagillapur, Kootigal, Akkarajpally and Bachannpet for the stabilization of settled ayacut of said sources.

4. The Chief Engineer, GLIS, after detailed investigation has submitted that the extra ayacuts amounting to 67,500 Acres as represented by the Hon'ble representatives of the respective constituencies are not covered in the Detailed Project Report of JCR Devadula Lift Irrigation Scheme nor is part of ongoing Schemes. He has further submitted that under JCR Devadula Lift Irrigation Scheme, the consent of the CWC is required to irrigate an extra ayacut by lifting water in addition to the already proposed 38.16 TMC water in JCRDLIS. Therefore, if a decision is taken to add new areas to JCRDLIS-III, then some areas for already sanctioned Scheme has to be deleted. The deleted areas have to be tagged on to the Pranahitha Chevella Scheme.

5. Government, after careful examination of the proposals submitted by the Chief Engineer, GLIS, hereby orders for inclusion of the new area for providing irrigation facilities to 32,500 Acres of Narsampet Constituency, 29,000 Acres in Cherial Constituency, 4000 Acres under Narayanapur Village, and 2000 acres of ayacut under Tapaspally and Guruvannapet of Warangal District from already allocated water under J.Chokka Rao Devadula Lift Irrigation Scheme. Government further orders that an equal extent i.e 67,500 Ac. of the tail end ayacut of JCRDLIS proposed under Phase-III in Nalgonda District is deleted from JCRDLIS, Phase-III and is included under Pranahita – Chevella Lift Irrigation Scheme. The Chief Engineer, Pranahita Chevella LIS accordingly will take necessary action to ensure that the area deleted under JCRDLIS is included in the ongoing Pranahitha Chevella Project.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
